ST. LOUIS — The Sheldon Sessions, presented by The Sheldon in partnership with 88.1 KDHX, presents **Todd Snider, Live and in Person**, Thursday, April 17 at 8 p.m. The evening begins with a 30-minute edited version of Snider's new movie, *East Nashville Tonight*, followed by a question and answer session and reading from Snider's book, *I Never Met a Story I Didn't Like*, and ending with a set of favorite songs.

Singer/songwriter Todd Snider is known for humorous, irreverent, though often poignant, lyrics delivered in classic troubadour style. A slyly intelligent songwriter whose influences include Jerry Jeff Walker, Kris Kristofferson and John Prine, Snider's live shows combine sharp songwriting, acclaimed musicianship and endearing storytelling for one-of-a-kind night of modern folk music.
