ST. LOUIS — The Sheldon and World Bird Sanctuary present *Raptor Awareness* in a program that benefits Raptor Awareness at the World Bird Sanctuary. Bring the entire family to experience the awe and wonder of Missouri's amazing birds of prey. This interactive 45-minute program will feature the spectacular raptors of the Show-Me State, including hawks, owls and falcons. Sit back and enjoy an up-close view as some of the birds soar right over your head!

A portion of all ticket sales will go to World Bird Sanctuary to support their mission of safeguarding bird species across the globe for future generations.

After the presentation, kids can make a hanging mobile of the birds to take home!
