ST. LOUIS — The Earls of Leicester are comprised of Barry Bales (bass, vocals), Shawn Camp (guitar, lead vocals), Charlie Cushman (banjo, guitars), Jerry Douglas (Dobro, vocals), Johnny Warren (fiddle, bass vocals) and Jeff White (mandolin, vocals).

When the Earls of Leicester formed in 2013, their mission was ambitious but exact: to preserve and promote the legacy of bluegrass legends Lester Flatt and Earl Scruggs, in hopes of reviving the duo's music for longtime admirers and introducing a new generation to their genre-defining sound. Within a year of releasing their self-titled debut, the Nashville-based six-piece far surpassed their own expectations, winning a Grammy Award for Best Bluegrass Album and earning six awards from the International Bluegrass Music Association. Now, with their first live album, Earls of Leicester offer up a selection of songs that fully capture the pure joy and supreme musicianship that propel their every performance.
